

# Safe and Sound

event

## 14 March 2012 Howden Park Centre for Service Users, Carers and Families

“Adult Protection” as a concept is sometimes difficult to grasp. Who is at risk? What are the risks? How can folk best protect themselves and what formal help can be offered when situations become unacceptable or difficult to manage?

Focusing on safety, risk, and protection and promoting conversation, discussion, inclusion, and empowerment, the event will be full of fun, information and interaction with a range of events that will both stimulate the mind and offer some relaxation. There will also be a range of stalls and lunch will be provided.

BSL interpreters will be available on the day.

For further information or to register your interest in attending, please contact Catherine Bostock (Adult Protection Service Support) at [catherine.bostock@westlothian.gov.uk](mailto:catherine.bostock@westlothian.gov.uk) or on 01506-281850.
